How Tracking Works

Our system ensures transparency:

Every applicant (patient/student/participant) fills out a registration form on our website

The form includes a field: "Who referred you?"

The affiliate's name must be entered there

This allows us to track and verify your referrals

Promotion Methods

Affiliates are expected to actively use all available resources, including:

Digital Platforms

- WhatsApp groups
- Facebook
- Instagram
- TikTok
- LinkedIn
- X (Twitter)

Personal Networks

- Friends
- Family
- Colleagues
- Professional contacts

Online Outreach

- Searching and engaging audiences via Google
- Joining relevant communities and forums

Additional Effective Strategies

To increase your success, you are encouraged to:

Create engaging content (posts, short videos, reels)

Share testimonials and success stories

Target specific audiences (students, couples, individuals seeking therapy)

Build niche groups related to mental health and education

Use consistent follow-ups with interested leads
